MEMORANDUM

To: Mr. John F. Stone
Office of the Secretary
Department of State

From: Mr. J. W. Pehle

Pursuant to our telephone conversation this morning, there is attached a paraphrase of cable No. 6269 from Bern and a copy of my memorandum to Mr. Merchant of today's date indicating the reply which the Treasury Department would like to see made to this cable.

Particularly in view of the delay which has already occurred it is important that the reply be made promptly.

Your cooperation will be appreciated.

(Signed) J. W. Pehle
