WITNESS: Dr. Guenther Frank-Fahle
Interrogator: Drexel A. Sprecher
Reporter: Maxine Martin
Time: 1630 - 1645 hours
Date: 30 May 1947

Q. This is a continuing interrogation of Dr. Guenther Frank-Fahle. Dr. Frank-Fahle, in our first formal interrogation on 26 May 1947, we discussed the question of the truth and your attitude toward giving information to the American and other Allied representatives. At this time I think it is appropriate to place you formally under oath in connection with all the information you give or have given, if that is satisfactory with you, in the investigations which have been conducted and which will be conducted. Do you swear that the information which you will give in these investigations by American representatives will be the truth, the whole truth and nothing but the truth, so help you God?

A. I do.

Q. Now, I also want to go back to the information which you have given previously to American and Allied representatives, because I do not know whether you were under oath. Do you swear that during the prior investigations you have always attempted to give the truth, the whole truth and nothing but the truth, so help you God?

A. I do.

Q. Now, I would like the record to indicate what we have been doing since the last formal interrogation on 26 May 1947. You have undertaken to get certain information for Mr. Newman, of our staff, over this weekend and during the next week. Is that correct?

A. Yes, sir.

Q. You were interrogated by Mr. Newman in this connection.
