Personnel

INTER-OFFICE MEMORANDUM

23 May 1947.

SUBJECT : Personnel now Assigned to the Farben Trial Team and Estimated Date of Possible Release.

TO : Mr. William Raugust, Executive Counsel (361)

Copies to : Mr. DuBois (253)
Mr. Amchan (252)
Capt. Kruskall (181)
Mr. Levy (245)
Mrs. Liberall (249)

1. The personnel requirements of the Farben Trial Team have been discussed with Messrs. Amchan and Charmatz and the following estimates are made in complete agreement. We feel we may have been too liberal on estimating when analysts can be released and may have to make new estimates after Mr. DuBois returns, and after we are able to review our targets and our present proof. In a case of this scope, we shall need a corps of skilled and versatile analysts to remain through the defense case, which we estimate will start about mid-October and end perhaps in mid-February. All lawyers in charge of counts, major sections of counts, and individual responsibility will be needed throughout the defense case for cross-examination of defense witnesses on special points, developing rebuttal evidence, and for brief writing. Because of the size and complexity of the case, we have been forced to have a high degree of specialization.
